

FILM FIJI®

Locations Scout Workshop

Discover the "World" as a Location Scout and give yourself this fun interactive opportunity to develop your skills & fine-tune your creative eye.

Film Fiji is organising a one-day workshop for Location Scouts and those who are interested in this exciting field. The workshop will give you the skills needed to find locations for productions to shoot in Fiji. The trainer is Locations Expert Clayton Tikao from Film Scouts New Zealand, a highly respected professional in his area of expertise.

Course Outline:

- Technical and the creative aspects of scouting for Feature Films, TV, and Commercials
- Learn to scout for the creative vision of the Director, Producer and or the Production Designer
- Understanding locations and its filming aspects
- Logistics and learning to overcome uncontrolled factors in a location
